Required for BA - Plan C

		Semester Taken	Grade
Math 161	4		
Math 211	4		
Math 261	4		

Major includes a minimum of **24 upper-division units in physics and astronomy**,
with an advisor, **choose 13-15 units** in additional upper-division physics and astronomy courses.
Physics 230 and 231, though lower-division, may be used to meet part of this requirement.
