Sonoma State University
Department of Physics and Astronomy

Advising Dates _____

Name _____

Progress Toward Completion of Major

Required for BA - Plan T

		Semester Taken	Grade
Phys 209A	1		
Phys 209B	1		
Phys 210A	3		
Phys 210B	3		

Capstone Course* - Choose One

		Semester Taken	Grade
Astr 492*	2		
Astr 497*	2		
Phys 492*	2		
Phys 493*	2		
Phys 497*	2		

Choose one Course in Modern Physics

Astr 305	3		
Phys 314	4		

Choose one Course in Optics

Phys 340	3		
Phys 342	3		

Choose an approved course in Computer Applications (2-4 units)

Phys 381	2		

Required for BA - Plan T

Math 107	4		

Major includes a minimum of **24 upper-division units in physics and astronomy**,
with an advisor, **choose 13-16 units** in additional upper-division physics and astronomy courses.
Physics 230 and 231, though lower-division, may be used to meet part of this requirement.

Course	Units	Semester Taken	Grade	Course	Units	Semester Taken	Grade

Required Area of Concentration - 12 Units

Courses in one other field chosen in consultaion with an advisor
